- Master carton weight: 5.9 kg
- Packaging dimensions (W x H x D): 272 x 285 x 70 mm
- Product dimensions (W x H x D): 239 x 39 x 178 mm
- Product weight: 1.1 kg
- Packaging type: D-box

Highlights

5-hour built-in battery*

This Philips player comes with a compact built-in rechargeable battery for long-lasting power. Up to 5 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. Just plug in the power cable to recharge the player - it's that simple.

MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without radically degrading their audio quality. A single CD can store up to 10 hours of music.

22.9 cm/9" TFT colour widescreen

The high resolution colour LCD display brings images to life, showing off your treasured photos, favourite movies and music with the same 'real life' rich detail and vibrant colours as high quality prints.

DivX Certified

With DivX[®] support, you are able to enjoy DivX[®] encoded videos. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, and DVD recordable discs.
