# Highlights

## Sing it. Say it. Love it!

This ultra-portable Bluetooth speaker features a wireless mic. Kids can sing along to their music, tell stories, or even act out made-up movie scenes with their friends! Whatever they choose to perform, one-touch recording makes it easy for them to lay down their tracks on a micro SD card.

## Playtime made easy

You get 6 hours play time, and a full charge takes 2.5 hours. Charging is via micro USB. Five clearly labeled buttons make it easy for kids to play, pause, control volume, switch source, and record.

## Smart Bluetooth pairing

One long press of the play/pause button gets this wireless Bluetooth speaker ready to pair. Once paired, the speaker remembers the last device it was paired with. Wireless range of the speaker is 10 m.
