# Highlights

## 4-in-1 remote control

Replace a table full of remote controls with one robust unit that operates your TV, DVD player/recorder, satellite receiver, digital terrestrial receiver or cable set-top box (STB) and VCR, regardless of the brand or model.

## Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

## Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

## Chrome finish

Stylish chrome finish that looks good and complements the latest equipment design.

## Dedicated Canalsat/TPS keys

Specially labelled function keys on the remote control make operating your Canalsat/TPS digital set-top box easier than ever before.

## Battery-low indication

To know in time when the batteries need to be recharged or replaced.

## Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
