# Highlights

## Comfort ear cushions

The special shape and luxurious materials used for the ear cushions of these Philips headphones ensure a perfect fit for maximum comfort. They prevent audio leakage and enhance bass performance too. The ear cushions are shaped in such a way that they perfectly align with the area around a person's ear.

## Light weight headband

The light weight material used for the headband

## 2m cable

The ideal length of cable to give you more freedom of movement and to choose where you carry your audio device.

## Full size design

Full-size earshells of these Philips headphones not only cover your whole ear for better sound quality, but also provide space for a larger, higher performance driver.
