Highlights

All your music

This stylish integrated micro system lets you stream playlists and more. Or you can dust off the classics in your CD collection thanks to a CD player that also plays MP3 CDs and recorded CDs. The digital radio tuner delivers crystal-clear reception, and you can set up to 20 presets for your favorite DAB+ or FM stations.

Rich sound with full bass

The integrated speaker with 3" woofer gives you clear sound. A bass-reflex port adds depth to the low tones. 30 W maximum output makes this integrated system perfect for the kitchen, bedroom, or office.

Old school, meet new school

Timeless style and modern performance meet in this beautiful micro system. The classic wooden cabinet is offset with a brushed-aluminum volume dial and high-gloss display. The desktop design fits right in, and there are buttons on top of the unit for pairing, source selection, and playback/tuning control.

Digital Sound Control

Hip-hop or choral, symphony or rock opera? Whatever you love, this micro system's Digital Sound Control function lets you enjoy it more. Pick from preset sound styles designed to bring out the best in your music.

At home in your home

This AC-powered micro system looks great in any room. Bluetooth wireless range is 10 m. An easy-to-use remote puts key system functions at your fingertips—so you can control the mood without breaking the mood.
