Highlights

Hassle-free charging

Charge handset either way around

Comfortable handset cans

Comfortable handset cans designed for longer calls

Durable and glossy outer shell

Durable, glossy and fingerprint-resistant outer shell

Smooth and calibrated keypad

Calibrated keypad for smooth precision clicks

Superb sound quality

Advanced sound testing and tuning for superb voice quality

2-line graphical display

Easy to read, 4.1cm (1.6") 2-line graphical display

Beautiful from every angle

Elegant and stylish appearance from every angle

Smart cable management

The smart cable management system cleverly hides the wires from sight. Intelligently designed concealed sockets and an internal cable guide ensure everything is clutter free and neatly tucked away.

100-name phone book

Always have the phone numbers of your loved ones available: Save up to 100 favorite contacts in your phonebook.

Red Dot Award 2013

Winner 2013

Its sculptural silhouette, durable fingerprint-resistant finish and ergonomic form mark a fresh approach to cordless phone design. Keypad operation is intuitive and effortless and the handset cans are made for the best comfort during long calls. A smart cable system keeps the wires hidden whereas Philips' HQ-Sound technology and digital sound processing ensure strong and natural voice reproduction.
