PHILIPS

Cordless phone with answering machine
60 min answering machine 1.9" display/ white backlight, Speakerphone, 2 handsets

XL5952C/DE

Highlights

Low power consumption: < 0.65 W

Philips phones are energy efficient and are designed to be respectful to the environment. Now the power consumed in stand-by mode is less than < 0.65 W.

Optimized antenna layout

Our optimized antenna layout ensures strong and stable reception – even in areas of the house where cordless transmission is difficult. Now you can take a call wherever you are in the house, and enjoy a long, uninterrupted conversation even as you walk around.

Up to 45 min. recording

With up to 45 minutes recording time, you'll never miss an important message.

ECO+ mode

The ultimate mode to save transmitting power.

Easy setup

Ultimate convenience through easy set up. Simplified installation - Plug & Play product

Extra loud sound

Extra loud sound for clear voice reproduction
