Swap files in a flash!

Easy, user-friendly plug-and-play device. The colourful Philips USB flash drive MOTION edition makes your daily storing and sharing of files, photos and music easy and affordable.

Everything you need

- Activity indicator lights up when copying files

Designed for you

- Trendy USB stick due to colourful design
- Easy opening and user-friendly packaging
- Trendy colourful design

Performance and capacity

- 128 GB storage capacity for large data files
- Fast data transfer with high-speed USB 3.0

Highlights

128 GB storage capacity

A useful 128 GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Fast data transfer USB 3.0

High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

Trendy colourful design

Pick your trendy colour; canary yellow, party pink, ultraviolet purple, dragon green, electric blue or sunrise orange to enhance your daily pursuits of storing and sharing your data and hike up the fun factor
