# Highlights

## Free HomeStudio app

There's no better way to wake up or listen to the radio than with the free Philips HomeStudio app. Simply download the app from the Apple App Store to enjoy a host of exciting features. Advanced alarm set up, for example, gives you greater flexibility in alarm settings - including alarm volume, duration, date and sound. You also get better user interface when you listen to the radio, with easy-to-use station preset functions.

## Play & charge your iPod/iPhone

Enjoy your favorite MP3 music while charging your iPod/iPhone! The dock lets you connect

your portable device directly to the Docking entertainment system so you can listen to your favorite music in superb sound. It also charges your iPod/iPhone while it plays so you can enjoy your music and not have to worry about your portable player battery running out. The Docking entertainment system automatically charges your portable device while it is docked.

## FM digital tuning with presets

Digital FM radio offers you additional music options to your music collection on your Philips audio system. Simply tune into the station that you want to preset, press and hold the preset button to memorize the frequency. With preset radio stations that can be stored, you can quickly access your favorite radio station without having to manually tune the frequencies each time.

## Auto clock synchronization

When connect and dock, this docking system will automatically synchronize the clock with your iPod/iPhone within a few seconds. With this convenient feature, you do not need to set the time manually.

## Dock iPod/iPhone in its case

Smartly designed spring-loaded docking port effortlessly accommodates any iPod or iPhone, without special adaptors. What's more, it works even when most protective cases are on – just dock your iPod or iPhone as it is. Now you can truly have fuss-free enjoyment of your music.
