Highlights

TV Zapper

Easy to use with large buttons for channel selection and volume, this zapper is simplicity itself.

Ergonomic design

The smooth rounded shape fits perfectly in your hand for natural, balanced operation. It looks great too!

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.

Online URC service

Dedicated support service for your remote control whereby all codes for all brands are available via the Philips URC website.
