T2

Crafted for everyday adventures

Beautiful to look at. Incredible to listen to. These premium true wireless earbuds give you our most spacious and detailed in-ear sound, and our smartest noise control. Music to calls, films to podcasts: they'll take you places.

Seamless in every way

- Philips Headphones app. Customise your experience
- Google Assistant. Google Fast Pair
- Advanced multipoint connectivity. Wireless charging

Philips Fidelio. Crafted for listeners.

- Exquisite. Philips sound signature for Fidelio
- Immersion that adapts to you. Noise Cancelling Pro+
- Superior call quality. Every word is loud and clear
- Timeless Fidelio design
- 2 way design. Balanced-armature and dynamic drivers

Exquisite natural sound on the go

- Superb sound for streaming on the go
- AAC and LDAC codecs supported
- More music. Up to 36 hours with the wireless charging case

Highlights

Philips sound signature

From the taut, controlled bass to the warm mids and sparkling highs, these superb earbuds bring you exquisite natural sound with precise instrument separation. Balanced-armature and graphene-coated dynamic drivers paint more detail than ever. You'll hear the tracks your favourite artists made—just the way they made them.

Noise Cancelling Pro+

Adaptive noise cancelling quickly adjusts to your environment to suppress outside noise, including wind, in real time. Music to calls, you can immerse yourself wherever you are without lifting a finger. If you do want to adjust the level of transparency or wind-noise reduction, simply use the Philips Headphones app.

Superior call quality

You can happily make calls from the busiest, noisiest locations. Beamforming mics focus on the sound of your voice while advanced AI algorithms stop background noise from ruining

the call. If it's really windy, the bone-conduction sensor will reliably pick up your voice, so you'll still be heard.

Timeless Fidelio design

Every element of your Fidelio earbuds is carefully considered. The polished ceramic housing of each earbud blends beauty with durability, and an IPX4 rating means they don't mind rain. Soft Muirhead leather accents the buds and the curved, compact charging case, which is made from anodised aluminium.

Superb sound for streaming

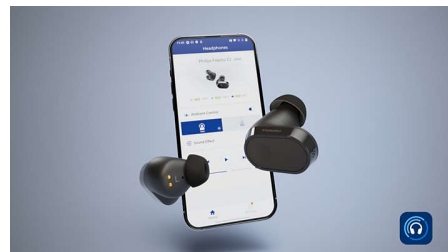

AAC and LDAC codecs are supported for a superb sound on any streaming service and the music pauses if you take an earbud out. Advanced Bluetooth multipoint seamlessly switches back and forth between two devices: listen to music on your laptop, take a call on your phone and go back to your music automatically.

36 hours play time with case

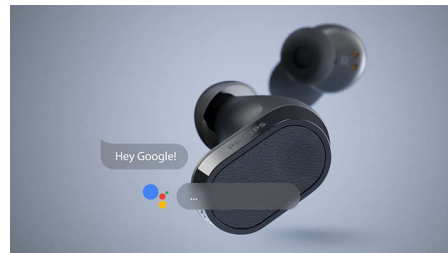

Listen for up to 36 hours with ANC on, or 40 hours with ANC off. You get up to 9 hours of play time from a full charge, and a quick ten-minute charge of the earbuds in their case will get you another hour and a half. You can recharge the case by placing it on any wireless Qi charger.

Philips Headphones app

For music and podcasts, four presets and a custom multi-band equalizer let you find your preferred sound. You can also use the app to turn adaptive noise cancelling off and take control yourself.

Google Assistant

The Google Assistant is fully integrated, so you can simply say "Hey Google" and then ask it anything. Google Fast Pair lets you pair to a compatible Android device with a single tap: if you lose your headphones, you can call them and they'll ring!

Specifications

Sound

Frequency range: 7–40,000 Hz
Speaker diameter: 9.2 mm + BA driver
Impedance: 16 Ohm
Maximum power input: 5 mW
Sensitivity: 100 dB (1 KHz -10 dBFs)
Driver type: Graphene coated, Balanced Armature
Hi-Res Audio

Connectivity

Bluetooth version: 5.3
Wireless
Bluetooth profiles: A2DP, AVRCP, HFP
Maximum range: Up to 10 m
Multipoint connection
Supported codec: LDAC, AAC, SBC
Type of wireless transmission: Bluetooth

Outer Carton

Length: 35.00 cm
Number of consumer packages: 24
Width: 26.00 cm
Gross weight: 5.60 kg
Height: 27.50 cm
GTIN: 1 48 95229 13173 3
Net weight: 2.35 kg
Tare weight: 3.25 kg

Convenience

Automatic power off: 60 minutes
Water resistance: IPX4
Philips Headphones app support
Mono mode for TWS
Firmware updates possible
Type of controls: Touch
Google Fast Pair
Google Hotwords
Capacitive sensor

Inner Carton

Length: 16.2 cm
Number of consumer packages: 3
Width: 11.8 cm
Height: 12.2 cm
Net weight: 0.29 kg
Gross weight: 0.63 kg
Tare weight: 0.34 kg
GTIN: 2 48 95229 13173 0

Power

Rechargeable
Number of batteries: 3 pcs
Charging time: 2 hour(s)
Wireless charging: WPC Qi standard
Music play time (ANC on): 36 hour(s)
Music play time (ANC off): 40 hour(s)
Fast charging time: 10 mins for 1.5 hr
Battery type (Charging case): Lithium Polymer (built-in)
Battery type (Earbud): Lithium Polymer (built-in)
Battery weight (Total): 11.5 g
Battery capacity (Case): 650 mAh
Battery capacity (Earbud): 75 mAh
Battery life standby time: 200 hr

Packaging dimensions

Height: 13 cm
Packaging type: Carton
Type of shelf placement: Hanging
Width: 11 cm
Depth: 5 cm
Number of products included: 1
EAN: 48 95229 13173 6
Gross weight: 0.159 kg
Net weight: 0.098 kg
Tare weight: 0.061 kg

Accessories

Quick Start Guide
Eartips: 5 pairs
Charging case
