- Watch movies in 16:9 widescreen format

The ultimate in convenience

- Car adapter and handy remote control included
- Up to 2.5-hour playback with rechargeable battery
- Dual headphone jacks for the share of entertainment fun
- Travel case included

PHILIPS
sense and simplicity

Highlights

DivX playback

With DivX support, you are able to enjoy DivX encoded videos in the comfort of your living room. The DivX media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, memory cards and DVD-video. DivX

CDs can be played back on selected DVD players, DVD Recorders and Home Theatre Systems.

MPEG4 playback

MPEG4 is a compression standard allows you to record movies at up to seven to 10 times

smaller than the MPEG2 standard without compromising on the picture and sound quality. MPEG4 media can be saved on a CD-Rom, memory card or DVD disc and can be played back in selective DVD players, DVD recorder and Home theatre systems.

Specifications

Picture/Display

- Display screen type: LCD TFT
- LCD panel type: Anti-glare polariser
- Diagonal screen size (inch): 8 inch
- Resolution: 480(w) x 234(H) x 3(RGB)
- Brightness: 400 cd/m²
- Contrast ratio (typical): 250:1
- Effective viewing area: 176.4 X 99.2 mm
- Pixel pitch: 0.1225(w) x 0.424(H)mm
- Response time (typical): 30 ms
