Highlights

More bass

Feel the bass, whether you're listening to music or watching an action film. This slimline subwoofer pumps out plenty of low-end power — perfect for adding depth to explosions and beats. You'll hear your favourite songs and enjoy action scenes like never before.

Simple setup

Setup couldn't be easier. Simply connect the subwoofer to your Philips TV via the Philips Sound app, or the DTS Play-Fi menu on your TV.

DTS Play-Fi compatible

Want to feel the rumble of every car chase, and the full impact of every musical score? Connect this subwoofer to your TV and a pair of compatible wireless speakers to create an instant surround-sound setup**. Ideal for movie night!

Distinctive geometric design

The slender build makes this subwoofer perfect for most living spaces. The sleek aluminium-topped design looks great in any setting — and if you don't want the subwoofer to be visible, it's easy to hide.
