- Packaging dimensions (W x H x D):

- 11.2 x 15 x 10.2 cm
- Gross weight: 0.26 kg
- Nett weight: 0.188 kg
- Tare weight: 0.072 kg
- EAN: 69 23410 70623 9

Outer Carton

- Number of consumer packagings: 6
- Outer carton (L x W x H): 31.8 x 24 x 14.7 cm
- Gross weight: 1.88 kg
- Nett weight: 1.128 kg
- Tare weight: 0.752 kg
- GTIN: 1 69 23410 70623 6

Highlights

For the most realistic sound

These portable speakers create an extra wide stereo soundstage when they are placed apart, so that each musical instrument appears to occupy a different physical space. The sound is more 3-dimensional and realistic.

Universal 3.5mm headphone jack

Plug and play with any of your mobile devices that have a 3.5mm headphone jack – iPod, iPhone, GoGear, MP3 players, laptops, netbooks, music phones and more.

Lightweight on-the-go design

These speakers are especially designed with travel in mind. From the park to a party, they're small and lightweight without sacrificing stereo-quality sound.

Plug & play - no batteries

Passive speakers are powered by your mobile device itself, so without batteries they're even smaller and lighter – pick them up and take them anywhere you want to enjoy your music out loud.

Two drivers for powerful sound

These speakers feature two drivers, delivering surprisingly clear and powerful sound from a small space.
