SIC4434BC/37

## Product highlights

### 1.5" color TFT LCD screen

*This bright display screen makes it easy to compose pictures and offers access to the control menu.*

### 3MP sensor

*The numbers of megapixels determines the clarity of the image. 3 MP delivers a clean, sharp image with excellent picture detail.*

### 3X digital zoom

*This built-in digital zoom lens allows you to easily shoot from a distance, bringing subjects closer.*

### Easy control menu

*Get exactly the shot you want with convenient access over all aspects of your imaging: resolution, exposure, flash and magnification.*

### Transfer images to your PC

*User-friendly software allows you to easily upload your pictures to your PC. You can then print them, edit them and share them with others.*
