8 outlets 3600J, 3 m

SPN5087E/60

Specifications

Packaging dimensions
- EAN: 48 95185 60047 5
- Packaging dimensions (W x H x D): 16 x 51 x 5.5 cm
- Gross weight: 0.97 kg
- Nett weight: 0.84 kg
- Number of products included: 1
- Packaging type: Card
- Tare weight: 0.13 kg
- Type of shelf placement: Both

Outer Carton
- Gross weight: 6.2 kg
- GTIN: 1 48 95185 60047 2
- Outer carton (L x W x H): 42.5 x 18.5 x 33.5 cm
- Nett weight: 5.04 kg
- Number of consumer packagings: 6
- Tare weight: 1.16 kg

Product dimensions
- Product dimensions (W x H x D): 16 x 45.5 x 5 cm
- Weight: 0.84 kg

Highlights

3600 Joules
Prevent thousands of dollars of damage to your electronic devices.

Protected combo network/phone
Sidactors are used for protecting the network or phone lines. These connectors accomodate either and RJ45 or an RJ11 cord. They route either line throught the surge protector to guard against spikes and surges that may occur in the network or phone lines.

Protected dual coax connection
Connectors route the coaxial signal through the surge protector to protect against surges and spikes.

Power Blocker
Automatically shuts down power to the connected devices.

8 outlets
Converts one outlet into eight outlets allowing you to plug in multiple devices from one single AC outlet.

3 m power cord
Provides power to the unit which can be 3 m from the AC outlet.

Cord Management
A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

automatic child safety outlets
Helps keep children safe from accidental shock.

Protection indicators
LED lights let you know if your surge protector is functioning properly.
