Highlights

3 interchangeable ear-tips

Three sizes of interchangeable rubber ear-tip covers create a perfect seal.

6 hours of play time

Run faster. Jump higher. Kick harder. You get 6 hours of play time—even when monitoring your heart rate. A single charge takes 2 hours.

Noise and echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

Heart-rate monitor built in.

Track your heart rate with the built-in monitor. A sensor in the earbud tracks your heartbeat with precision. You'll know when to push it and when to rest, so you get the best possible results from every workout. Compatible with open fitness-tracking apps.

IPX5 waterproof.

These sports headphones boast an IPX5 soak-proof rating, which means they're resistant to sustained soaking. Sweat hard, train in the rain or even wear them in the shower.

Quick Charge.

A single charge takes 2 hours. If you need an extra boost, just 15 minutes of Quick Charge gives you another hour of play time.

Smart pairing.

The user-friendly buttons let you pause your playlist, take calls and adjust volume—all without touching your smartphone. The headphones are ready to pair the instant you switch on Bluetooth. Once they're paired, they remember the last device they were paired with.

Soft, rubberised wing tips.

Three sizes of interchangeable rubber ear-tip covers create a perfect seal. Flexible wing tips fit securely under the ridge of your ear. No matter how hard you go, these sports headphones stay where you need them.

User-friendly button control

User-friendly button makes it easy for kids to take a call, skip a track or pause what they're listening to. All without touching their smartphone. Volume buttons on the base of the ear cup are easy to reach, as is the LED light button.

6 mm neodymium driver

6 mm neodymium acoustic drivers

Detailed sound. Good sound.

Plug into a world of crystal clear and natural sound with precisely tuned 6 mm drivers. Your Sports headphones are carefully engineered to deliver crisp and richly detailed yet natural sound — whatever music you are listening to.
