Highlights

32GB storage capacity

A useful 32GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer USB3.0

High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
