Highlights

Bold color.

Say it loud with the bright color-graded cables and translucent speaker housing.

Bright sound.

The 8.6 mm neodymium acoustic drivers give you crisp, clear sound.

Stay comfortable.

The oval-shaped acoustic tube of these in-ear headphones means you can rock your sounds in real comfort. You get maximum passive noise isolation, and three sizes of interchangeable rubber earbud covers for the perfect fit.

Music or calls. Anywhere.

Take a call, pause your tunes. All without touching your smartphone. The built-in mic with echo cancellation keeps sound clear when you're talking.

Noise and echo cancellation

No more of those annoying echoes when you are talking on the phone. With our acoustic echo cancellation, you always get a clear, undisturbed connection.

Fine-tune your fit.

Earbud covers in small, medium, and large, for a perfect fit
