Sleek design

- Folds into a compact form for easy storing and carrying
- Remote control for hands-free calls and music

Bold bass

- Big, bold bass that you can feel
- 40mm Neodymium speakers
- Great sound isolation

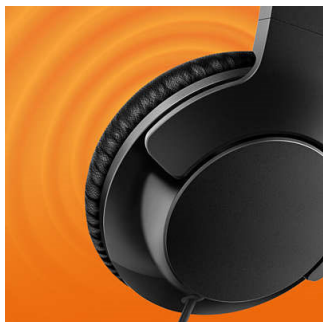

PHILIPS

Headphones with mic
40 mm drivers/closed-back Over-ear, Soft ear cushions, Compact folding

SHL3175BK/00

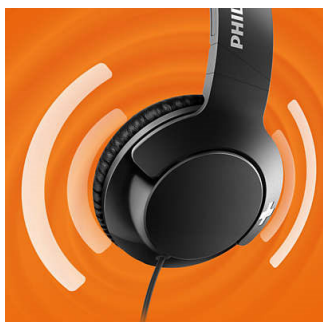

Highlights

40mm speakers

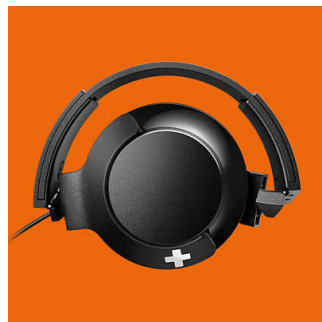

40mm Neodymium speakers that produce big bold bass

Big, bold bass

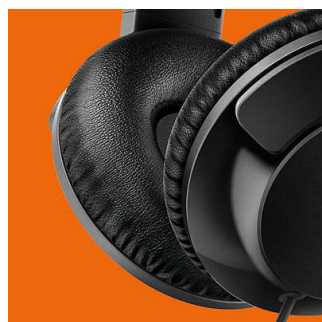

Powerful bass to upgrade your listening enjoyment. Don't get fooled by its sleek design as the specially designed bass vent and specially tuned drivers produce ultra-low end frequencies that gives the headphones the unique Bass+ sound signature. Separate acoustic volume is used to ensure high consistency bass performance in every production.

Compact fold

The unique compact fold design gives you the best experience on the go. The headphones can be either flat fold or compact fold for easy portability and easy storage.

Soft cushions

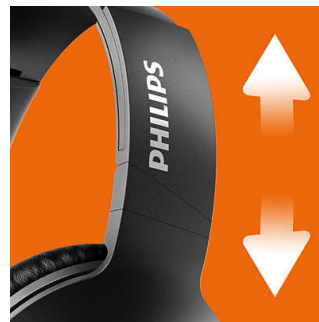

Soft breathable ear cushions for long listening sessions and great comfort

Sound isolation

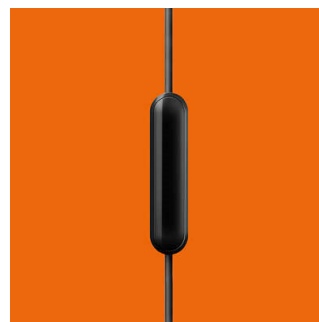

Closed type acoustics blocking out ambient noise and providing better sound.

Adjustable fit

Designed for optimal fit, BASS+ headphones feature swivelling earshells and an adjustable headband to ensure a great fit for all wearers.

Hands-free calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.
