12 hours play time

Go from working sessions to dinner parties with ease. You get 12 hours of play time from a single charge and the wireless range is 20 m. Charging the speaker takes 3.5 hours via the included USB-C cable.

Kvadrat speaker fabric

This speaker is covered with a premium speaker fabric created by high-end manufacturer Kvadrat. The beautiful wool-blend material is acoustically transparent, allowing the sound to flow freely from the speaker into the room.

Play it loud. Pair for stereo

A passive radiator delivers strong bass. The sound from the 3.15" full-range driver stays clear even at high volume. Want to make your music sound even bigger? Pair with an identical speaker for stereo sound.
