Highlights

256GB storage capacity

A useful 256GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer USB3.0

High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Trendy colorful design

Pick your trendy color; jelly pink, ultraviolet purple, absinthe green or electric blue to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Trendy colorful design

Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

User friendly protective cap

Never lose your cap again! The protective cap is integrated in the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

Easy opening experience

The markings and perforations on the packaging show you the best way to open your packaging and get quickly access to your USB stick without hassle.
