

Philips
In-ear true wireless
headphones

6 mm drivers/closed-back
Bluetooth®
Black

TAT3215BK

Your sounds. Your moves.

Wherever. Whenever. These splash- and sweat-resistant true wireless headphones give you great sound and up to 24 hours of play time with their charging case. If you're on a long call, you can use just one earbud while the other one charges.

Easy pairing. Voice control.

- Smart pairing. Automatically find your Bluetooth device
- Easily wake your smartphone's voice assistant
- Multi-function button. Easily control music and calls
- Switch from music to phone calls with built-in microphone

Feels good. Looks good.

- Secure, comfortable fit
- Rubber ear-tip covers in small, medium and large
- Soft wing tips for a secure fit and a tighter in-ear seal

Up to 24 hours of play time

- 6 hrs per charge. 15-min charge for 1 hr play time
- 6 mm neodymium drivers. Clear sound, punchy bass
- IPX4 splash- and sweat-resistant
- Mono mode. Switch the mic between earbuds
- Portable USB-C charging case. Get up to 24 hours of play time

PHILIPS

In-ear true wireless headphones
6 mm drivers/closed-back Bluetooth®, Black

Highlights

IPX4

With an IPX4 rating, these true wireless headphones are resistant to splashing from any direction. They won't mind a little sweat, and you don't need to worry about getting caught out in the rain.

Portable USB-C charging case.

Hit the road with multiple charges in your pocket. You get up to 6 hours of play time on a single charge, plus 18 extra hours from a fully charged case. A short 15-minute charge in the case gives you 1 hour of play time. A full charge of the case takes 2 hours via USB-C.

Mono mode

Need to take a call when your headphones are running low on power? Get more talk time by using

one earbud while the other one charges. The mic is automatically assigned to the earbud you're using, and you can simply swap over when needed.

Secure, comfortable fit

You get great sound from the 6 mm neodymium drivers and you can rock your tunes in real comfort thanks to the snug, lightweight design. Soft, interchangeable ear-tip covers help you find a comfortable in-ear fit.

Multi-function button

Don't like the current track? Skip it with a long press of the multi-function button. Want to reject a call and keep listening? One press will take care of that. The built-in mic with echo cancellation keeps sound clear when you do take a call.

Voice assistant

Wake your phone's voice assistant without touching your phone. Ask smartphone's voice assistant to play music, get directions and check information and more.

Smart Bluetooth pairing.

These earphones are ready to pair the instant you take them out of their charging case. Once they're paired, the earphones remember the last device they were paired with.
