- Nett weight: .507 kg • Tare weight: .173 kg

#### SHC2000/61

### Highlights

#### Lightweight design

The durable, lightweight quality materials of these Philips headphones enhance comfort for extended wearing.

#### Self adjusting inner headband

The inner headband of these Philips headphones makes it easy to obtain a perfect fit for your head. The mechanism adjusts automatically for comfort.

#### **High-frequency modulation**

Using very high frequency modulation(RF) for the transmission link ensures sharp clear reception.

#### Automatic Level Control (ALC)

This smart electronic circuit ensures that the audio input level is automatically adjusted to the right level, preventing distortion and preserving your listening enjoyment.

#### **IR** wireless transmission

IR wireless transmission allows you to be free from the hassles of cables.

#### **Rechargeable system**

The headphone set incorporates facilities for recharging the batteries.
