Exquisite natural sound on the go

- Better connectivity and sound. Next-generation Bluetooth*
- Superb sound for streaming on the go
- LC3, AAC, and LDAC codecs supported
- More music. Up to 36 hours with the wireless charging case

PHILIPS

True Wireless Headphones

Exquisite natural sound Noise Canceling Pro+, Superior call quality, Timeless Fidelio design

Highlights

Philips sound signature

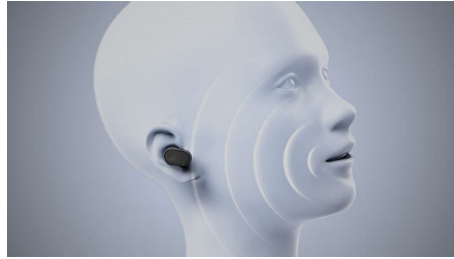

From the taut, controlled bass to the warm mids and sparkling highs, these superb earbuds bring you exquisite natural sound with precise instrument separation. Balanced-armature and graphene-coated dynamic drivers paint more detail than ever. You'll hear the tracks your favorite artists made—just the way they made them.

Noise Canceling Pro+

Adaptive noise canceling quickly adjusts to your environment to suppress outside noise, including wind, in real time. Music to calls, you can immerse wherever you are without lifting a finger. If you do want to adjust the level of transparency or wind-noise reduction, simply use the Philips Headphones app.

Superior call quality

You can happily make calls from the busiest, noisiest locations. Beamforming mics focus on the sound of your voice while advanced AI algorithms stop background noise from ruining the call. If it's super windy, the bone-conduction sensor will reliably pick up your voice, so you'll still be heard.

Timeless Fidelio design

Every element of your Fidelio earbuds is carefully considered. The polished ceramic housing of each earbud blends beauty with durability, and an IPX4 rating means they don't mind rain. Soft Muirhead leather accents the buds and the curved, compact charging case, which is made from anodized aluminum.

Next-generation Bluetooth

These earbuds will work with devices that support Bluetooth LE Audio and the LC3 codec.

T2/00

You'll get noticeably better sound and a steadier connection that doesn't dip in built-up areas. There's virtually no lag for movies or gaming, and you're all set for shared listening over wireless networks with Auracast broadcasting.*

Superb sound for streaming

AAC, LDAC, and LC3 codecs are supported for a superb sound on any streaming service, and the music pauses if you take an earbud out. Advanced Bluetooth multipoint seamlessly switches back and forth between two devices: listen to music on your laptop, take a call on your phone, and go back to your music automatically.

36 hours play time with case

Listen for up to 36 hours with ANC on, or 40 hours with ANC off. You get up to 9 hours of play time from a full charge, and a quick ten-minute charge of the earbuds in their case will get you another hour and a half. You can recharge the case by placing it on any wireless Qi charger.

Specifications

Sound

- Frequency range: 7 - 40 000 Hz
- Speaker diameter: 9.2 mm + BA driver
- Impedance: 16 Ohm
- Maximum power input: 5 mW
- Sensitivity: 100 dB (1KHz -10dBFs)
- Driver type: Graphene coated, Balanced Armature
- Hi-Res Audio

Connectivity

- Bluetooth version: 5.3
- Wireless
- Bluetooth profiles: A2DP, AVRCP, HFP
- Maximum range: Up to 10 m
- Multipoint connection
- Supported codec: LDAC, AAC, SBC, LC3
- Type of wireless transmission: Bluetooth

Outer Carton

- Length: 35 cm
- Number of consumer packagings: 24
- Width: 26 cm
- Gross weight: 4.8 kg
- Height: 27.5 cm
- GTIN: 1 48 95229 13173 3
- Nett weight: 2.352 kg
- Tare weight: 2.448 kg

- Automatic power off: 60 minutes
- Water resistance: IPX4
- Philips Headphones app support
- Mono mode for TVWS
- Firmware updates possible
- Type of controls: Touch
- Google Fast Pair
- Google Hotwords
- Capacitive sensor

Inner Carton

- Length: 16.2 cm
- Number of consumer packagings: 3
- Width: 11.8 cm
- Height: 12.2 cm
- Nett weight: 0.294 kg
- Gross weight: 0.55 kg
- Tare weight: 0.256 kg
- GTIN: 2 48 95229 13173 0

Power

- Rechargeable
- Number of batteries: 3 pcs
- Charging time: 2 hour(s)
- Wireless charging
- Music play time (ANC on): 36 hour(s)
- Music play time (ANC off): 40 hour(s)
- Fast charging time: 10 mins for 1.5 hr
- Battery type(Charging case): Lithium Polymer (built-

in)

- Battery type(Earbud): Lithium Polymer (built-in)
- Battery weight (Total): 11.5 g
- Battery capacity(Case): 650 mAh
- Battery capacity(Earbud): 75 mAh
- Battery life standby time: 200 hr

Packaging dimensions

- Height: 13 cm
- Packaging type: Carton
- Type of shelf placement: Hanging
- Width: 11 cm
- Depth: 5 cm
- Number of products included: 1
- EAN: 48 95229 13173 6
- Gross weight: 0.159 kg
- Nett weight: 0.098 kg
- Tare weight: 0.061 kg

Accessories

- Quick Start Guide
- Eartips: 5 pairs
- Charging case
- Charging cable: USB-C cable, 200 mm
