Highlights

Classic design. Easy to tune
This super-portable analog FM/MW radio is easy to tune on the go. Simply turn the side-mounted tuning wheel to slide the indicator along the scale. A large traditional-style tuning window makes it easy to see when you have reached the desired frequency.

Simple one-handed controls
One-handed operation is easy with this little radio. Volume and on/off are both controlled by a conveniently placed thumbwheel. There's a headphone port for private listening, and a side-mounted switch to select FM or MW signals.

Super portable
Slip this radio into your pocket and take the news wherever you go. Or the game you just can't miss. Or the talk show you love. 2x AAA batteries power the sound, and a telescopic antenna ensures you'll always get the best possible reception.
