## Secure, flexible, comfortable

These headphones have magnetic earbuds that stick together, and a flat headphone cable that resists tangling. When you pull them out of a bag or pocket, you won't have to untie a knot before you can tune in to your playlist.

## Inline remote.

Take a call, pause your playlist. All without touching your smartphone. Smart Bluetooth pairing means these headphones remember the last devices they were paired with.

## 7 hours play time.

The 8 mm neodymium drivers deliver great sound, and you get up to 7 hours play time from a 2-hour charge via USB-C. If you start running low on power, a quick 15-minute charge will keep the music playing for another 1 hour.
