Shortlist with brands

1 Turn on your device (e.g. TV).
Check if the TV responds to all key commands.
If the TV does not respond, continue with step 2.

2 Press the TV key until it flashes twice and then remains lit.

3 • Look up the code for your brand in the 'Shortlist with brands' in this Quick Start Guide.
• Note the 4-digit code for your brand.
• Enter the code, using the digit keys.

30 sec.

4 ***Press and hold*** the ⏻ key and ***immediately*** release it when the device (e.g. TV) switches off (standby). This may take up to 30 seconds.

5 Turn on your device (e.g. TV) and check whether the keys you need for operating the device are working.

If the TV responds to all of the key commands, the SRP 3004 is ready for use.

If a key does not function (properly), keep it pressed and ***immediately*** release it when the device responds. Repeat this for every key that does not work.

Remark:
If the TV does not react as needed, repeat step 4 until you get a good result.
(Press and hold the ⏻ key. Release the key *immediately* as soon as the TV switches off).

6 Press the TV key ***twice*** to exit setup mode and save your settings
