- Activity indicator lights up when copying files

Designed for you

- Trendy USB stick due to colorful design
- Easy opening and user friendly packaging
- Trendy colorful design

Performance and capacity

- 512GB storage capacity for large data files
- Fast data transfer with high-speed USB 3.0

Highlights

512GB storage capacity

A useful 512GB gives you the capacity to swap, share and save much larger or more files via the USB port of your PC or laptop.

Fast data transfer USB3.0

High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

Trendy colorful design

Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
