# Highlights

## All your music

This stylish micro system lets you stream playlists and more via Bluetooth, play CDs and listen to FM radio. The digital radio tuner with 10 presets delivers clear reception, and the CD player can read MP3 CDs and recorded CDs.

## Bass-reflex loudspeakers

These bookshelf-style loudspeakers give you clear sound and good bass thanks to the combination of woofer, tweeter, and bass-reflex ports. A 60 W maximum output brings big sound to any room. Perfect for a lounge or open-plan living space.

## Classic design

The two-tone central unit and speaker cabinets recall the design of hi-fi separates. The textured volume-control dial adds a satisfying analog feel to operation. There are buttons on the front of the unit for playback and source selection.

## Digital Sound Control

Hip-hop or choral, symphony or rock opera? Whatever you love, this micro system's Digital Sound Control function lets you enjoy it more. Pick from preset sound styles designed to bring out the best in your music.

## At home in your home

This AC-powered micro system looks great in any room. Bluetooth wireless range is 10 m, and you can charge a smart device via the USB port. An easy-to-use remote puts key functions at your fingertips.
