1 Important

Important Safety Instructions

- ① Read these instructions.
- ② Keep these instructions.
- ③ Heed all warnings.
- ④ Follow all instructions.
- ⑤ Do not use this apparatus near water.
- ⑥ Clean only with dry cloth.
- ⑦ Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- ⑧ Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- ⑨ Protect the power cord from being walked on or pinched, particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- ⑩ Only use attachments/accessories specified by the manufacturer.
- ⑪ Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

- ⑫ Unplug this apparatus during lightning storms or when unused for long periods of time.
- ⑬ Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

- ⑭ Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
- ⑮ Apparatus shall not be exposed to dripping or splashing.
- ⑯ Do not place any sources of danger on the apparatus (e.g. liquid filled objects, lighted candles).
- ⑰ Where the MAINS plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

Warning

- Never remove the casing of this apparatus.
- Never lubricate any part of this apparatus.
- Never place this apparatus on other electrical equipment.
- Keep this apparatus away from direct sunlight, naked flames or heat.
- Never look into the laser beam inside this apparatus.
- Ensure that you always have easy access to the power cord, plug or adaptor to disconnect this apparatus from the power.

Hearing safety

Listen at a moderate volume.

- Using headphones at a high volume can impair your hearing. This product can produce sounds in decibel ranges that may cause hearing loss for a normal person, even for exposure less than a minute. The higher decibel ranges are offered for those that may have already experienced some hearing loss.
- Sound can be deceiving. Over time your hearing 'comfort level' adapts to higher volumes of sound. So after prolonged listening, what sounds 'normal' can actually be loud and harmful to your hearing. To guard against this, set your volume to a safe level before your hearing adapts and leave it there.

To establish a safe volume level:

- Set your volume control at a low setting.
- Slowly increase the sound until you can hear it comfortably and clearly, without distortion.

Listen for reasonable periods of time:

- Prolonged exposure to sound, even at normally 'safe' levels, can also cause hearing loss.
- Be sure to use your equipment reasonably and take appropriate breaks.

Be sure to observe the following guidelines when using your headphones.

- Listen at reasonable volumes for reasonable periods of time.
- Be careful not to adjust the volume as your hearing adapts.
- Do not turn up the volume so high that you can't hear what's around you.
- You should use caution or temporarily discontinue use in potentially hazardous situations. Do not use headphones while operating a motorized vehicle, cycling, skateboarding, etc.; it may create a traffic hazard and is illegal in many areas.

Caution

- Use of controls or adjustments or performance of procedures other than herein may result in hazardous radiation exposure or other unsafe operation.

Notice

Any changes or modifications made to this device that are not expressly approved by Philips Consumer Lifestyle may void the user's authority to operate the equipment.

This product complies with the radio interference requirements of the European Community.

Environmental information

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)

Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, exhausted batteries and old equipment.

Recycling

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

When you see the crossed-out wheel bin symbol attached to a product, it means the product is covered by the European Directive 2002/96/EC:

Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products. The correct disposal of your old product helps prevent potentially negative consequences on the environment and human health.

Your product contains batteries covered by the European Directive 2006/66/EC, which cannot be disposed of with normal household waste.

Please inform yourself about the local rules on separate collection of batteries. The correct disposal of batteries helps prevent potentially negative consequences on the environment and human health.

Always bring your product to a professional to remove the built-in battery.

Be responsible
Respect copyrights

The making of unauthorized copies of copy-protected material, including computer programs, files, broadcasts and sound recordings, may be an infringement of copyrights and constitute a criminal offence. This equipment should not be used for such purposes.

Recording and playback of material might require consent. See Copyright Act 1956 and The Performer's Protection Acts 1958 to 1972.

This item incorporates copy protection technology that is protected by U.S. patents and other intellectual property rights of Rovi Corporation. Reverse engineering and disassembly are prohibited.

"DivX, DivX" Certified, and associated logos are trademarks of DivX, Inc. and are used under license.

Manufactured under license from Dolby Laboratories.
"Dolby" and the double-D symbol are trademarks of Dolby Laboratories.

This apparatus includes this label:

2 Your portable DVD player

Congratulations on your purchase, and welcome to Philips! To fully benefit from the support that Philips offers, register your product at www.philips.com/welcome.

Introduction

Your portable DVD player plays digital video discs that conform to the universal DVD Video standard. With it, you can play movies with true cinema picture quality and stereo or multi-channel sound (depending on disc and playback set-up).

You can also select sound track, subtitle languages, and different angle of view (again depending on DVD disc). Besides, you can restrict the play of discs that are not suitable for children.

You can play the following discs on the DVD player (including CD-R, CD-RW, DVD±R and DVD±RW):

- DVD-Video
- Video CD
- Audio CD
- MP3 CD
- DivX
- Discs with JPEG files

What's in the box

Check and identify the contents of your package:

- Portable DVD player
- Remote control
- AC power adaptor, ASUC12C-090080 (Philips)
- Car adaptor
- AV cables
- Car mounting pouch
- User Manual
- Quick Start Guide

Overview of the main unit

- ① **Display panel**
- ② **STOP**
 - Stops disc play.
- ③ **SUBTITLE**
 - Selects DVD subtitle language.
- ④ **OPTIONS**
 - Accesses options relating to the current activity or selection.
- ⑤ **DC IN**
 - Power supply socket.
- ⑥ 
 - Headphone jack.
- ⑦ **AV OUT**
 - Audio/video output jack.
- ⑧ **VOLUME** 
 - Increases or decreases volume.

- ⑨ **POWER ON/OFF (CHR)**
- Turns on/off DVD player.
- ⑩ **CHR/IR/⓪**
- Charging indicator/Remote control sensor/Power indicator.
- ⑪ **▲, ▼, ◀, ▶**
- Navigates menus.
- ◀, ▶**
- Searches backward/forward at different speeds.
- ▶||/OK**
- Confirms an entry or selection.
 - Starts, pauses or resumes disc play.
- ⑫ **◀, ▶**
- Skips to the previous or next title, chapter, or track.
- ⑬ **DISC MENU**
- For DVD, accesses or exits disc menu.
 - For VCD, turns on or off PBC (Playback Control) mode.
 - For VCD version 2.0 or SVCD with PBC turned on, returns to the menu.
- ⑭ **AUDIO**
- For DVD, selects an audio language.
 - For VCD, selects an audio mode.
- ⑮ **SETUP**
- Accesses or exits the setup menu.
- ⑯ **OPEN▶**
- Opens the disc compartment.

Overview of the remote control

- ① **SETUP**
 - Access or exit the setup menu.
- ② **DISPLAY**
 - Display play information.
- ③ **ZOOM**
 - Zoom in or out.
- ④ **SUB**
 - Select DVD subtitle language.

- ⑤ **A-B REPEAT**
- Mark the section for repeat play.
- REPEAT 1/ALL**
- Repeat a chapter/track/title.
- ⑥ **DISC MENU**
- For DVD, access or exit disc menu.
 - For VCD, turn on or off PBC (Playback Control) mode.
- ⑦ **AUDIO**
- For DVD, select an audio language.
 - For VCD, select an audio mode.
- ⑧ **ANGLE**
- Select a different viewing angle of a DVD.
- ⑨ **Numeric Keypad 0 - 9**
- Input numbers.
- ⑩ **■**
- Stop disc play.
- ⑪ **☰**
- Adjust brightness of the screen backlight.
- ⑫ **▲, ▼, ◀, ▶**
- Move cursor up/down/left/right.
- ◀◀, ▶▶**
- Search backward or forward at different speeds.
- ▶||/OK**
- Start, pause or resume disc play.
 - Confirm an entry or selection.
- ⑬ **◀, ▶**
- Skip to previous/next chapter, track or title.

3 Get started

Caution

- Use the controls only as stated in this user manual.
- Always follow the instructions in this chapter in sequence.

If you contact Philips, you will be asked for the model and serial number of your player. The model number and serial number are on the bottom of your player. Write the numbers here:

Model No. _____

Serial No. _____

Charge the battery

Caution

- Risk of product damage! Ensure that the power supply voltage corresponds to the voltage printed on the bottom of the player.
- Use only the supplied AC adaptor to charge the battery.

Note

- The type plate is located on the bottom of the player.
- You can only charge the player when it is in power-off mode.

- 1 Slide the **POWER ON/OFF (CHR)** switch to **OFF** position.

- 2 Connect the supplied AC adaptor to the player and to the AC outlet.

- ↳ The **CHR** indicator turns on (red). It takes about 7 hours to fully charge the battery.
- ↳ When the battery is fully charged, the **CHR** indicator turns off.

Install remote control battery

Caution

- Risk of explosion! Keep batteries away from heat, sunshine or fire. Never discard batteries in fire.
- Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
- Batteries contain chemical substances, they should be disposed of properly.
- Perchlorate Material - special handling may apply. See www.dtsc.ca.gov/hazardouswaste/perchlorate.

For first-time use:

- 1 Remove the protective tab to activate the remote control battery.

To replace the remote control battery:

- 1 Open the battery compartment.
- 2 Insert 1 CR2025 battery with correct polarity (+/-) as indicated.
- 3 Close the battery compartment.

Connect additional equipment

Caution

- Turn off your player before connecting to any additional equipment.

You can connect the player to a TV or an amplifier to enjoy DVDs or Karaoke.

Match the color of the AV cables (the AV cable connected to TV is not supplied) with the jacks:

- the yellow cable is for the yellow video jack
- the red/white cable is for the red/white audio jacks.

4 Use your player

Turn on

Slide the **POWER ON/OFF (CHR)** switch to the **ON** position.

↳ The $\text{\textcircled{1}}$ indicator turns on (green).

Select OSD language

You can choose a different language for the on-screen display text.

- 1 Press **SETUP**.
↳ The setup menu appears.
 - 2 Select **[-- General Setup Page --] > [OSD Lang]**.
 - 3 Press **▶** to select an option.
 - 4 Press **OK** to confirm.
 - 5 Press **SETUP** to exit.
-

Play discs

- 1 Slide **OPEN▶** on the player.
- 2 Insert the disc with label side facing up.
- 3 Push down to close the disc compartment.
↳ Play starts automatically. If not, press **▶||/OK**.
 - If a menu appears, select an item, then press **▶||/OK** to start play.
 - To pause, press **▶||/OK**. Press again to resume play.
 - To stop, press **STOP** twice.
 - To select the previous/next item, press **◀** or **▶**.
 - To start search within video/audio, press **◀** or **▶** once or more.

Play options

- 1 During play, press **OPTIONS** to select some play options.
- 2 Follow the on-screen instructions.

5 Adjust settings

To maximize your play experience, use **SETUP** to fine tune your settings.

- 1 Press **SETUP**.
↳ The setup menu is displayed.
- 2 Use navigation keys to select an option and press **OK** to confirm.

[-- General Setup Page --]	
[OSD Language]	Select on-screen display language.
[Screen Saver]	Activate/deactivate screen saver.
[Last Memory]	Select whether to start play from the point where it was last stopped.
[Angle Mark]	select angle mark display options.
[-- Video Setup Page --]	
[Brightness]	Adjust screen brightness.
[Contrast]	Adjust screen contrast.
[TV Display]	Select display ratio.
[TV Type]	Set video output format to TV system.
[-- Battery Life Setup Page --]	
[LCD Backlight]	Adjust the default brightness level of screen backlight.
[-- Preference Page --]	
[Audio]	Select audio language.
[Subtitle]	Select DVD subtitle language.
[Disc Menu]	Select disc menu language.
[Parental]	Select parental level.
[DivX Subtitle]	Select DivX subtitle language.

[Password]	Change password (3308 by default).
[DivX VOD]	Get DivX registration code.
[Default]	Restore original settings.

3 Press ◀ to go back to the previous menu.

4 Press **SETUP** to exit.

6 Product information

Note

- Product information is subject to change without prior notice.

Dimensions	239 x 39 x 178 mm
Weight	1.1 kg
Power supply	Input: 100-240V~ 50/60Hz Output: DC 9V=== 0.8A
Power consumption	9 W
Operating temperature range	0-45°C
Laser wavelength	650 nm
Video output	
Format	PAL & NTSC
Output level	1Vp - p ± 20%
Load impedance	75 Ω
Audio line out	
Audio out (analog audio)	Output level: 2V ± 10%
Load impedance	10 KΩ
Audio distortion + noise	≤ -80 (1KHz)
Frequency response	20Hz-20KHz ± 1dB
Signal/noise ratio	≥ 80 dB

Channel separation	≥ 80 dB
Dynamic range	≥ 80 dB

7 Troubleshooting

Warning

- Risk of electric shock. Never remove the casing of the player.

To keep the warranty valid, never try to repair the system yourself. If you encounter problems when using the player, check the following points before requesting service. If the problem remains unsolved, register your player and get support at www.philips.com/welcome.

No power

- Ensure that both plugs of the mains cord are properly connected.
- Ensure that there is power at the AC outlet.
- Check if the built-in battery is drained.

No sound

- Ensure that the AV cable is connected correctly.

Distorted picture

- Clean the disc. With a clean, soft, lint-free cloth, wipe the disc outwards from the center.
- Make sure that the video output format of the disc is compatible with the TV.
- Change the video output format to match your TV or program.
- The LCD is manufactured using high precision technology. You may, however, see tiny black points and/or bright points (red, blue, green) that continuously appear on the LCD. This is a normal result of the manufacturing process and does not indicate a malfunction.

Cannot play disc

- Ensure the disc label is upwards.
- Clean the disc. With a clean, soft, lint-free cloth, wipe the disc outwards from the center.
- Check if the disc is defective by trying another disc.

No response to the remote control

- Ensure that the path between the remote control and the player is clear from obstacles.
- From a close distance, point the remote control directly at the player.
- Replace the remote control batteries.
- The function does not work for this disc. Refer to the disc instructions.

The player feels warm

- When the player is in use for a long period of time, its surface will be heated. This is normal.

**Philips Electronics Australia Limited and Philips New Zealand Limited
Warranty against Defects**

In this warranty:

We or us means Philips Electronics Australia Limited ACN 008 445 743 or Philips New Zealand Limited (Company Number 1723), and our contact details are set out at the end of this warranty;

You means the purchaser or the original end-user of the Goods;

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or New Zealand; and

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand.

If you require assistance with the operation of the product, its features or specifications please call the Philips Consumer Care Centre on 1300 363 391 in Australia or 0800 658 224 in New Zealand.

Australia: Our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This is not a complete statement of your legal rights as a consumer.

New Zealand: Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to the conditions and guarantees implied by that legislation.

Additional Warranty:

In addition to the rights and remedies that you have under the Australian Consumer Law, Consumer Guarantees Act of New Zealand or any other applicable law, we provide the following warranty against defects:

1. If, during the first 12 months from their date of purchase from the Supplier (**Warranty Period**), the Goods prove defective by reason of improper workmanship or materials and none of your statutory rights or remedies apply, we will repair or replace the Goods without charge.
2. We do not have to repair or replace the Goods under this Additional Warranty if the Goods have been used for a commercial purpose; misused, improperly or inappropriately installed, operated or repaired; abused; damaged; or not maintained in accordance with the manufacturer's instructions.
3. Even when we do not have to repair or replace the Goods, we may decide to do so anyway. In some cases, we may decide to substitute the Goods with a similar alternative product of our choosing. All such decisions are at our absolute discretion.
4. All such repaired, replaced or substituted Goods continue to receive the benefit of this Additional Warranty for the time remaining on the original Warranty Period.
5. This Additional Warranty is limited to repair, replacement or substitution only. As far as the law permits, we will not be liable for any loss or damage caused to property or persons arising from any cause whatsoever.
6. In order to claim under this Additional Warranty you must telephone us on 1300 363 391 in Australia or 0800 658 224 in New Zealand within the Warranty Period. You will be asked for details of the Goods, a description of the defect and your personal details. Upon accepting your claim, we shall assist you with either returning the Goods to the Supplier for replacement or to the most convenient Philips Authorised Service Centre for your Goods to be repaired. In some case we may require that you return to the Goods to us (at the address below) for repair, replacement or substitution.
 - * All returned Goods must be accompanied by satisfactory proof of purchase which clearly indicates the name and address of the Supplier, the date and place of purchase and identifies product. It is best to provide a legible and unmodified receipt or sales invoice.
 - * You must bear any expense for return of the Goods or otherwise associated with making your claim under this Additional Warranty.
7. This warranty is only valid and enforceable in Australia and New Zealand.

Contact us or the place of purchase for further details.
