# Highlights

## Plug & Play pack - 2 handsets

A convenient Plug & Play phone package including a base and 2 handsets.

## Baby-sit function

Worried about your baby not sleeping? No need to constantly go and check in his bedroom. The baby-sit mode allows you to keep an ear on him wherever you are in the house.

## Free intercom

No need to stop what you are doing and go to give the handset to your son when his friend calls: you can freely and easily call the handset in his bedroom and transfer the call.

## Digital answering machine

With a digital answering machine, you'll never miss a call or message.

## 30-minute recording time

30-minute recording time

## Illuminated message-counter

Just look at the base station to instantly know whether you have received any messages.

## Icon-driven colour menu

All functions are grouped into several menu items that are symbolised by a coloured icon. This facilitates navigation and use of the phone.

## Selectable wallpapers

An illustration is worth more than a thousand words. Scroll through the selection of images integrated into the handset. Select the one that best suits your mood of the day and have it displayed as a background on your screen.

## Great for gaming

Let your phone be your stress relief. Sit back, select a game and set a new high score!

## SIM-card copying facility

With the SIM-card copying facility, you can transfer your whole mobile-phonebook on to your home telephone in a matter of seconds.

## Keep in touch by SMS texting

The SMS is a simple way to exchange information over the telephone line. You first type your text off-line and when you are ready, you send it to as many people as you like.
