Comfortable and simple

Visual ringer, extra loud sound

Enjoy a clever visual ringer, so you can see incoming calls as well as hear them. And with extra loud sound capabilities for easy listening, oversized buttons for easy dialling and an in-built answering machine, it makes it all so simple.

Hear everything loud and clear

- Extra loud sound for clear voice reproduction
- Handset speakerphone allows you to talk hands-free
- Hearing aid compatible - reduces unwanted noise
- Optimised antenna layout for great reception in any room

Smart, simple and easy to use

- Up to a 60 min. message on your answering machine
- Large display and easy to read characters
- Visual ringer flashes to alert you of incoming calls
- Instantly call your loved ones via speed-dial keys
- Ultimate convenience through easy setup
- Up to 19 hours of talk time on a single charge

Eco-conscious product

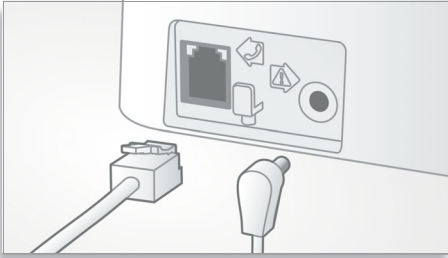

- 60% reduction of radiation when ECO mode is activated
- Low power consumption: < 0.65 W in standby mode

PHILIPS

sense and simplicity

Highlights

Easy setup

Ultimate convenience through easy set up.
Simplified installation - Plug and Play product

ECO mode

60% reduction of radiation when ECO mode is activated

Extra loud sound

Extra loud sound for clear voice reproduction

Handset speakerphone

Hands-free mode uses a built-in loudspeaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful

if you want to share the call with others or simply multitask.

Hearing aid compatible

Hearing aid compatible - reduces unwanted noise

Instant calling

Instantly call your loved ones via speed-dial keys

Large, easy to read display

Large display and easy to read characters

Optimised antenna layout

Our optimised antenna layout ensures strong and stable reception, even in areas of the

house where cordless transmission is difficult. Now you can take a call wherever you are in the house, and enjoy a long, uninterrupted conversation even as you walk around.

Up to 19 hours of talk time

Up to 19 hours of talk time on a single charge

Up to 60 min. recording

With up to 60 minutes of recording time, you'll never miss an important message.

Visual ringer

Visual ringer flashes to alert you of incoming calls
