

Philips
Car coaxial speaker

7"x10" (18cmx26cm)

5-way
550W Peak

CSP7020

Your mobile music theater

with 5-way stereo for powerful sound

Feel your music with the Philips Car stereo speakers CSP7020. These 18x26cm 5-way speakers have peak power at 550W, and feature an oval fiber composite cone with a soft PEI dome tweeter so you can enjoy vivid music details and deep bass.

Powerful music on the road

- Fiber-composite cone delivers sound with lowest distortion
- Soft PEI dome tweeter for warm and textured tones
- Butyl rubber surround for maximum smooth response
- Strong ferrite magnet for high power performance
- 85W RMS power handling

High durability, sustainable performance

- Stylish speaker grille protects against damages
- Endurance and performance stability in extreme conditions
- Sturdy fiber-composite cone for all-weather performance

Easy to use and install

- Simple wires plug-in for designated speaker terminals
- Fits perfectly in all 18cmx26cm speaker openings

PHILIPS
