SQM9220/00

Universal articulating wall mount

for TV size between 17" to 43"

Designed to fit most brands of TV with a focus on safety & ease of use. Easy 1-2-3 installation kit includes necessary hardware for different wall types, templates. Slim design but strong for weight capacity up to 55kg (121 lbs).

Benefits

Safely mount your TV

- Supports weights of up to 55 kg (121 lbs)
- Screen sizes 26" - 70"

Easy installation

- Level correction

- TV cable management to hide cables for a neater look
- Mounting hardware included
- Standard VESA mounting hole pattern

Features

Level correction

If the wall mount is slightly off-level after it is installed, it allows for level corrections to horizontally mount the TV.

TV cable management

The cable compartment is designed to tuck your cables in neatly behind the television in one place.

PHILIPS

Mounting hardware included

Includes all necessary screws, anchors and bolts for different types of walls, ensuring the right type of hardware is readily available for the particular type of wall the support is being mounted on.

Standard VESA mounting hole pa

Supports weights of up to 55kg

Supports weights of up to 55 kg (121 lbs)
