Highlights

TV Zapper

Easy to use with large buttons for channel selection and volume, this zapper is simplicity itself.

Controls Channel and Volume

You can step up and down through the most popular functions like channel selection and volume using large distinctive keys, making zapping both comfortable and convenient.

Silver design

Elegant silver finish on the remote control complements today's stylish audio and video equipment.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Simple system setup

Setup your remote control as soon as possible with an intelligent scanning system that automatically scans for the codes that match your equipment.
