Highlights

40 mm speakers

40mm Neodymium speakers that produce big bold bass

Big, bold bass

Powerful bass to upgrade your listening enjoyment. Don't get fooled by its sleek design as the specially designed bass vent and specially tuned drivers produces ultra-low end frequencies that gives the headphones the unique Bass+ sound signature. Separate acoustic volume is used to make sure high consistency bass performance in every production.

Compact fold

The unique compact fold design gives you the best experience on the go. The headphones can be either flat fold or compact fold for easy portability and easy storage.

Soft cushions

Soft breathable ear cushions for long listening sessions and great comfort

Sound isolation

Closed type acoustics blocking out ambient noise and providing better sound.

Adjustable fit

Designed for optimal fit, BASS+ headphones feature swiveling earshells and an adjustable headband to ensure a great fit for all wearers.

Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.
