- Packaging type: Clamshell
- Product dimensions (WxDxH): 140x140x27.5mm
- Product weight: 0.38 kg

## Battery

- Type: AA, LR6, UM3 (not included)

# Highlights

## Dynamic Bass Boost

Dynamic Bass Boost maximizes your music enjoyment by emphasizing the bass content of the music throughout the range of volume settings - from low to high – at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.
