Highlights

From playlist to vital call

Take a call, pause your playlist. All without touching your smartphone. The built-in mic with echo cancellation keeps sound clear when you're talking. When you're listening to music and podcasts, perfectly tuned neodymium acoustic drivers deliver clear, detailed sound.

Hi-Res Audio. Hear more.

Love your high-resolution streaming service? Hear more with these Hi-Res Audio headphones. Capable of reproducing high frequencies of up to 40 kHz, they'll give you more detail when you're on the move.

Stay comfortable.

An oval acoustic tube and three sizes of interchangeable rubber earbud covers create a perfect seal. Enjoy all-day listening comfort and excellent passive noise isolation.
