Highlights

Clear sound for calls

Clear sound for calls

Great sound

Perfectly tuned 40 mm drivers deliver plenty of detail and bass for every song or podcast. You can even use the included cable to plug in and enjoy the Hi-Res Audio files available on your favorite streaming service. When you're not listening, the attractive hard case keeps the headphones safe.

Noise Canceling Pro

These lightweight wireless headphones don't just look great—they also let you focus on what you want to hear. Advanced noise cancellation filters out unwanted sounds from the world around you. Awareness Mode lets you bring the world back in when you need to.

Philips Headphones app

The Philips Headphones app puts you in charge of the music you're listening to. Adjust levels yourself or choose from preset sound styles. You can also use the app to switch between preset noise-cancellation modes.

Smart-looking case

Smart-looking case keeps the headphones safe

Lightweight and compact design

The lightweight design offers your better wearing experience. The compact design is for you easily to carry wherever you go

Soft fabric cushions

Soft fabric cushions for extensive comfort, so you can wear the headphones as long as you need
