Crystal clear sound

- Advanced sound testing & tuning for superb voice quality
- Parametric Equalizer delivers pure and clear sound
- Automatic Volume Control offsets unwanted volume variation
- Optimized antenna layout for great reception in any room

Eco-conscious product

- Low radiation and power consumption

PHILIPS

Highlights

Easy setup

Ultimate convenience through easy set up. Simplified installation - Plug & Play product

Optimized antenna layout

Our optimized antenna layout ensures strong and stable reception – even in areas of the house where cordless transmission is difficult. Now you can take a call wherever you are in the house, and enjoy a long, uninterrupted conversation even as you walk around.

Parametric Equalizer

Our telephones use parametric equalization in the digital sound processing to fine-tune the sound response back to the intended linear frequency response curve, delivering sound that is pure and clear, for each conversation.

Automatic Volume Control

Automatic Volume Control offsets variations in sound signal, which can be caused by distance, signal strength or the caller's phone - so what you hear always remains consistent. Reducing the audio amplification for strong signals, and increasing it for weak ones, it means you can enjoy a smooth conversation without unwanted sound volume variation.
Eco-conscious product

Philips phones are energy efficient and designed to be respectful to the environment.
Menu in local languages

Enjoy easy set-up, navigation and control with intuitive menu available in local languages.

Programmable hot keys

Now calling the people you care about most is easier than ever. With simple one-touch dialing, you will never have to search for their number again. You can program up to 2 keys for instant calling.
Non-slip grip

The rear of the handset is treated with a special texture for added comfort and better grip.

Up to 16 hours talk time

Up to 16 hours talk time on a single charge

4.1cm (1.6") display

Easy to read 4.1 cm (1.6") display with backlight

Specifications
