- One small system for all your music

Flexible placement. Attractive design.
- 10 W maximum output power
- 2 x 2.75" full-range drivers. Stereo sound
- At home in your home
- Slim, wall-mountable design. Or free-standing on a counter

Fill the room with tunes
- Alarm. Wake to your music streaming, the radio or a tone
- Clear display. Included remote
- Convenience and control
- Main unit dimensions: 400 x 220 x 110 mm

PHILIPS

Highlights

One system for all your music
Streaming music, playing records or prefer the radio? You can switch between wireless devices easily thanks to multi-pair Bluetooth, and audio-in takes care of wired sources. The digital radio tuner delivers crystal-clear reception.

At home in your home
This slender micro system is perfect for smaller spaces. You can leave it free standing on the included foot or remove the foot to mount directly onto a wall. Two full-range drivers deliver clear stereo sound.

Convenience and control
An easy-to-use remote puts key system functions at your fingertips—so you can control the mood without breaking the mood. The clear display panel shows DAB station information and song titles.
