- Set weight: 4.2 kg
- Packaging dimensions (W x H x D): 536 x 209 x 480 mm
- Weight incl. Packaging: 7.4 kg

Highlights

Blu-ray Disc playback

Blu-ray Discs have the capacity to carry high definition data, along with pictures in the 1920 x 1080 resolution that defines full high definition images. Scenes come to life as details leap at you, movements smoothen and images turn crystal clear. Blu-ray also delivers uncompressed surround sound - so your audio experience becomes unbelievably real. The high storage capacity of Blu-ray Discs also allow a host of interactive possibilities to be built in. Seamless navigation during playback and other exciting features like pop-up menus bring a whole new dimension to home entertainment.

Video upconversion of DVDs

Video upconversion of DVDs up to 1080p via HDMI
