### Ultimate wearing comfort

- Designed for ear geometry comfort fit

### Design for convenience

- Flexi-Grip design for durability
- Built-in microphone switches you from music to phone calls

# PHILIPS

## Highlights

### 14.2mm speaker drivers

Quality 14.2mm speaker drivers with neodymium magnet delivers rich bass and clear sound.

### Built-in microphone

The built-in microphone lets you easily switch from music listening to taking phone calls - easily, so you'll always stay connected with what matter most to you.

### Designed for comfort

The design is based on ear geometry for comfortable wear and snug fit for everyone.

### Flexi-grip

A soft, flexible part connecting the housing and the cable, protects the cable connection from damage even if bended heavily.

### Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, providing a better bass response and higher overall sound quality.
