# Highlights

## TV Zapper

Easy to use with large buttons for channel selection and volume, this zapper is simplicity itself.

## Splash and shock resistant

The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

## Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

## Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
