

Headphones with mic

- 32mm drivers/closed-back
- On-ear
- Soft ear cushions

TAKH301BL/00

Do your own thing

Have fun with the on-ear headphones kids can style themselves. These headphones are volume-limited to 85 dB and are tough enough to throw in a schoolbag. Children can decorate the ear cups with stickers or their own works of art!

Benefits

Plays where you play

- A 1.2m long cable that is ideal for outdoor use
- Simple in-line remote. Easily control music and calls

Ready for you

- Flat-folding and compact-folding design. Easy storage
- Light, comfortable ear-cup cushions. Perfect for young ears
- Light, cushioned headband

Features

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

Fun. Funky. Safe for young ears.

- 32 mm acoustic drivers. Clear sound
- Customizable ear cups. Use stickers or personal artwork
- Flexible, adjustable headband. Twist it, bend it
- Volume limited to 85 dB

32 mm acoustic drivers.

Specially designed to protect young ears, these headphones boast 32 mm acoustic drivers that have been limited to 85 dB. You can relax, knowing your kids are enjoying their tunes, videos, and games safely.

Customizable ear cups.

Kids can customize these headphones with stickers, or even their latest work of art. The clear outer covering of the ear cups opens so you can put a

PHILIPS

drawing inside. Three sets of stickers and graphic cards are included with the headphones.

Compact-folding design.

These wireless on-ear children's headphones feature a clever design that folds in two directions. You can fold them flat, perfect for storing in a bedroom drawer. Or you can fold them flat and inwards, creating a compact bundle that fits into coat pockets and bags.

Flexible, adjustable headband

The strong, flexible headband adjusts easily and is tough enough to withstand being thrown in a backpack or dropped on the floor. It can even be twisted hard without breaking. Whatever the kids get up to, their headphones will stay in one piece.

Light, comfortable ear cushion

Soft ear-cup cushions and a soft headband cushion keep the kids comfortable whether they're listening to music or watching their favorite YouTubers.

Light, cushioned headband

Simple in-line remote.

The 1.2 m audio cord includes a simple in-line remote with a built-in mic. Kids can pause the music or answer a call. All without touching their smartphone.

Volume limited to 85 dB

You can relax, knowing your kids are enjoying their tunes, videos, and games safely.
