From workout playlist to vital call

- Powerful 40 mm neodymium drivers
- Clear sound and powerful bass
- Your tunes stay yours. Closed-back design
- Charge for 15 minutes, get 2 hours extra play time

PHILIPS

Highlights

35 hours play time

With 35 hours play time from a single charge, these wireless on-ear headphones are with you while you train-and beyond. A full charge takes less than 2 hours. Need an extra boost? 15 minutes charging gives you 2 hours more play time.

Washable ear-cup cushions

The soft, breathable ear-cup cushion sleeves are detachable for easy cleaning and are filled with

cooling gel. No matter what you do when you're wearing these headphones, you'll always be able to get them feeling fresh again!

IP55 dust/water protection

An IP55 rating means your headphones are as happy on dusty trails as they are in heavy rain. However hard you sweat-and wherever you go-nothing will stop you!

Closed-back design

Perfectly tuned 40 mm neodymium drivers deliver the bass to keep you going. The closed-back construction delivers great passive noise isolation. You get to pump up your tunes without annoying others.

Compact-folding design

The sleek design looks great whether you're going for your personal best or having fun on a weekend break. Inward-folding ear cups make storage easy.

Easy control and pairing

The multi-function button lets you pause your playlist, take calls, control volume, and wake your phone's voice assistant. The headphones are ready to pair the instant you switch on Bluetooth. Once they're paired, they remember the last device they were paired with.

3.5 mm audio port

The 3.5 mm audio port lets you connect these sports headphones directly to compatible phones or music players. Perfect for those times when the battery is running low and you don't have a way to charge your headphones.
