# Highlights

## Trendy colorful design
Pick your trendy color; canary yellow, jelly pink, ultraviolet purple, absinthe green, electric blue or sunrise orange to pimp up your daily pursuits of storing and sharing your data and hike up the fun factor

## User friendly protective cap
Never lose your cap again! The protective cap is integrated in the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards, plug the stick in and play.

## 8GB storage capacity
A useful 8GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

## Fast data transfer
High-speed data transfer rates significantly cut annoying waiting time when you're copying large multimedia files to or from your computer's hard disk.

## Activity indicator
An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
