### Safety

**WARNING:** To reduce the risk of fire or electric shock, this apparatus should not be exposed to rain or moisture and objects filled with liquids, such as vases, should not be placed on this apparatus.

Only use attachments/accessories specified by the manufacturer.  
Apparatus shall not be exposed to dripping or splashing.  
Do not place any sources of danger on the apparatus (e.g. liquid filled objects, lighted candles).  
Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.  
Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.

### Warning

- Where the mains plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

### Warning

- Never remove the casing of this apparatus.
- Never lubricate any part of this apparatus.
- Never place this apparatus on other electrical equipment.
- Keep this apparatus away from direct sunlight, naked flames or heat.
- Ensure that you always have easy access to the power cord, plug or adaptor to disconnect the apparatus from the power.

### Notice

Any changes or modifications made to this device that are not expressly approved by Philips Consumer Lifestyle may void the user's authority to operate the equipment.

This product complies with the radio interference requirements of the European Community.

### Recycling

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused. When you see the crossed-out wheel bin symbol attached to a product, it means the product is covered by the European Directive 2002/96/EC: Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products. The correct disposal of your old product helps prevent potentially negative consequences on the environment and human health.

Your product contains batteries covered by the European Directive 2006/66/EC, which cannot be disposed of with normal household waste. Please inform yourself about the local rules on separate collection of batteries. The correct disposal of batteries helps prevent potentially negative consequences on the environment and human health.

### Environmental information

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)  
Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, exhausted batteries and old equipment.

### Note

- The type plate is located on the bottom of the apparatus.

### Made for

"Made for iPod" and "Made for iPhone" mean that an electronic accessory has been designed to connect specifically to iPod, or iPhone respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, or iPhone may affect wireless performance. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. iPod and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.

### General information

AC power (Power adapter)	Brand name: Philips; Model: YJS03-1001800B; Input: 100-240 V~, 47-63Hz; Output: 10.0 V
Operation Power Consumption	<25 W
Standby Power Consumption	<1 W
Dimensions - Main Unit (W x H x D.)	283 x 118 x 112 mm
Weight	
- With Packing	1.75 kg
- Main Unit	1.36 kg
