Highlights

Portable charging case

Take your music anywhere. You get great sound from the 12 mm drivers, and 9 hours play time (ANC off) from a single charge. A fully charged case adds another 20 hours (ANC off). For a quick boost, pop your headphones in the case for 10 minutes and get an extra hour.

Mono mode

Taking a lot of calls? You can double your talk time by using one earbud while the other one charges. The mic is automatically assigned to the earbud you're using, and you simply swap over when your current earbud is running low on battery.

IPX4 splash/sweat resistant

With an IPX4 rating, these true wireless headphones are resistant to splashes from any direction. They won't mind a little sweat, and you don't need to worry about getting caught out in the rain.

Hybrid Active Noise Canceling

These headphones filter out the noise you don't want to hear, so you're free to be with the tunes you love. It brings you wider and deeper noise cancelation in feeling. Awareness Mode means you can let the world back in when you need to, and it keeps you recognize your surroundings.

Secure, comfortable in-ear fit

You get real comfort thanks to soft, interchangeable silicone ear-tip covers. The ear-tip covers securely insert into your ear canal, creating a perfect seal that diminishes external noise.

Easy control and pairing

Tap the earbud to pause your playlist, take calls, and wake your phone's voice assistant. The headphones are ready to pair in an instant. Once paired, they reconnect with your phone as soon as you open the charging case.
